

Year 13

**Teacher Assessed Grades: Assessment dates and
student information booklet**

Student name:.....

Dear Year 13,

Please find in this booklet the following information:

Assessments:

This booklet will take you up to Friday 24th May 2021. The following week is after half term. Only after the Easter holidays, and towards the May half term, will we know for definite if you will have any further assessment opportunities. I will be in touch again with you all as we progress through the next half term.

If you are absent for any assessment at all, this will only be rearranged for you if you can provide an GP/ Doctor certificate for your absence.

It is also your responsibility to let me know if you have a clash. Please email me at ehayman@stahigh.org with the details of the clash if this applies to you and we will find an alternative time for you to complete the assessment.

Finally, assessments will be taking place in lesson time unless stated otherwise. Please check with your teacher if you are not sure.

Subject specific information:

You will also find after the assessment calendar the information that has been provided by your subjects, regarding what you will be assessed on and what evidence is likely to be used for your final teacher assessed grades. At the time of writing the booklet for you, we are still waiting for any further guidance on evidence and assessment, so items being used at the moment, again may change.

Further Maths students: Please note that you will not see any assessments in the booklet below. Your assessments will be continuous and you should check with your teacher for more information.

Now is the time to focus on using the Easter holidays to get organised and prepared for your assessments. Good luck Year 13!

Mrs E Hayman

Assistant Headteacher
