Headteacher: Mr Eugene Moriarty

31st December 2020

Dear Parents/Carers

I hope you are having a good break and want to wish you a very Happy New Year. I also wanted to thank you for your support and understanding during what has been a challenging time for schools.

Following Yesterday's Government announcement, I am writing to you with updated arrangements. We continue to put the safety of all community members at the heart of our decision making.

There has been a lot of reporting about mass testing taking place in schools, however schools have not been given adequate information yet about how this will be carried out. We will write to you again when we have further news. It is likely that we will use the website to host consent forms that we would like you to fill in for your child.

As things currently stand the following arrangements are in place:

Start of Term

Monday 4th January - Staff training day – no students are in

Tuesday 5th January - Children of critical workers or those students who are vulnerable (those with either an EHC Plan or who have support from a social worker) should also attend school regardless of their Year Group at 8.45am using their usual gate. These students will be taught in their Year Group bubbles and are asked to bring in headphones, if they have them, for use on the school computers.

To notify the school that you are a critical worker please email the Deputy Headteacher, Ms Rachel Kelly on: rkelly@stahigh.org

All other students should work from home – further instructions will follow regarding remote learning.

Year 12 Mock arrangements will be confirmed shortly.

Under no circumstances should any student attend school if they have got any COVID19 symptoms, if they are waiting for test results or if they should be isolating.

It is also vitally important that parents/carers make the school aware if your child has tested positive for COVID19 during the Christmas holidays.

Please email the school to inform us of this using: CovidReportingDG@stahigh.org

When you email, please inform us of the following:

Your Child's name and Tutor group

The last day they were in school

The date on which their symptoms began (if symptomatic)

The date of the positive test

Monday 11th January

Years 11 and 13 to attend school at 9.05 for normal on site lessons to resume.

Monday 18th January

Currently the plan is for all students to return at the usual times – we will write again next week to confirm arrangements and these arrangements will include how we plan to test all students.

I hope that this information is clear. As I have said previously the situation is ever changing and we will be in contact again as and when necessary, particularly in relation to our plans for testing staff and students.

Yours sincerely

Eugene Moriarty

Head of Federation
